It is a biographical feature film on India's Highest Wartime Gallantry Award - Param Vir Chakra winner Subedar Joginder Singh. He fought three wars (as per records) for India before achieving martyrdom in the Sino-Indian War of 1962 while commanding a platoon in North Eastern Frontier Agency (NEFA) (Now Arunachal Pradesh). The story portrays his character and motivation in the scene of battle. It made me cry and I haven't cried since my papa pulled out his chappal on me for the last time 27 years ago. Beautiful movie showing the struggles we faced during the wars Subedar Joginder Singh is a king of movie made with utmost precision. It doesn't only displays exemplary courage shown by Subedar Joginder Singh but also the sacrifice done by him and his family. SALUTE to this son of motherland 646f9e108c
